Coventry
University

January 2012 Study

Quality teaching, employable graduates, strong links with industry and an innovative and dynamic approach to learning – just a few highlights of studying with Coventry University.

With a diverse and vibrant mix of students, opportunities to benefit from a global culture are embedded into the curriculum, research, student services and societies.

Our curriculum is reinforced with modules specifically tailored to provide all students with essential employability skills. With a wide range of courses across two campuses, Coventry University is the first step towards your future career.

First Class Facilities

Students joining us now will be some of the first to reap the benefits of a major investment plan that the University has recently embarked upon.

- TheHub is the centre of your student and social life on campus. Under one amazing roof, which we call 'TheHub', we bring together vibrant retail, catering and entertainment spaces to ensure you live university life to the full. Hub highlights include the Students' Union, express supermarket, extensive food court serving world cuisine, Costa Coffee and a brand new performance venue, including a main room and bar with a combined capacity of around 1200 which adds a whole new dimension to the music and performing arts scene at the University.
- The iconic new Engineering and Computing building is designed to be the most advanced technological learning space in the UK. Research helped to develop the collaborative learning spaces to not only meet the demands of students but also those of industry who look to us to deliver highly employable graduates.
- The Sports and Recreation Centre is a major asset on campus and our student population consistently tell us it's one of their campus highlights. Here you'll find a refurbished Fitness Suite, you can hire the sports hall to play volleyball, cricket, basketball, football and badminton. In addition, there are many fitness and relaxation classes and workshops to choose from.
- We have made a significant investment in IT to create a 'smart' campus providing students with full access to the latest equipment, a range of software and fast internet access both on campus and in student residences. There are hundreds of PCs available to you across our wi-fi enabled campus. You will also benefit from CUOnline – the online learning environment.
- Lanchester Library. The distinctive turreted landmark on campus is our £16m library, home to almost 1200 study spaces, 330 computer workstations, and a wealth of resources to support your studies. This impressive building is an award winning design that makes the most of natural lighting and ventilation.

The Graduate Centre

Coventry University
ranked No.1 for its
Graduate School
and No.2 for Careers
Advice, Work
Experience, Clubs &
Societies and Sports
Facilities**
*International Student
Barometer Million Plus
Rankings 2010

Coventry University is one of a select few in the UK to provide a dedicated facility for its postgraduate students. Some of the many benefits include:

- Well equipped teaching and conference rooms
- Quiet wi-fi work areas
- Computer suites
- Café bar
- Social areas including a relaxing courtyard garden
- A range of free trips and social events are available to enhance your stay and enable you to network with other students
- Games room and members' lounge
- Drop-in sessions from Career Advisors
- Equipped with wireless technology, Sky TV and computer work stations
- A unique Global Leaders Programme
- Committed and supportive staff delivering a quality service to our growing postgraduate community

From enquiry to graduation, you will access a range of services and receive support from a dedicated team of advisors who will be on-hand, to advise and assist you throughout your stay at Coventry.

How to Apply

You have two ways to apply (but you must only choose one method). Directly to Coventry University using the appropriate online application form or a downloadable application form from one of the website links below.

Postgraduate UK and part-time students

Each application is considered on an individual basis and work experience is taken into account. UK students should contact the Graduate Centre on:

The Graduate Centre
Jaguar Building
Coventry University
Priory Street
Coventry
CV1 5FB
United Kingdom

T **024 7765 4321**

F **024 7688 8609**

E **postgraduate@coventry.ac.uk**

www.coventry.ac.uk/postgraduate

Postgraduate European students

Students from Europe wanting to study Full-time must apply directly to our International Office.

International Office can be contacted on:

International Office
Student Centre
Coventry University
Priory Street
Coventry
CV1 5FB
United Kingdom

T **+44 24 7615 2152**

F **+44 24 7615 2175**

E **enquiries.io@coventry.ac.uk**

www.coventry.ac.uk/international

What happens next?

To evaluate your application, the Admissions Office will need your completed application form plus any supporting documentation, including copies of your degree certificate and/or transcript of study. When we receive your application it will be logged onto a computer system. We aim to make a decision within 5 working days upon receipt of your fully completed application form. If successful, you will receive an official offer letter from the University.

Important Information - Please read carefully

The University offers the information contained in this leaflet as a guide only and it does not constitute a contract and is not binding on prospective students, students or the University. While the University makes every effort to check the accuracy of the factual content at the time of publication, some changes will inevitably occur in the interval between publication and the academic year to which the leaflet relates. Applicants should not therefore rely solely on this leaflet and should visit the University website for up-to-date information concerning course content and accreditation, course fees, bursaries and entry requirements.
